At The Grey Plume we charge an automated 20% hospitality (service) charge to all checks.

By transitioning from the traditional tipping model, we are building a more equitable platform in which to reward, recognize and compensate our team, all of whom are represented in your experience.

We do our best to conserve water. Water service is available upon request. Consuming raw or undercooked meat, poultry or seafood increases your risk of food borne illness. All artwork in the restaurant was created by local artists, much of which is for sale by the artist.
